

Lake Links at a Glance

What is it?

- Annual community workshop
- 17 year history

Purpose

- Bring us together to protect our local lakes

Participants

- Over 100 attendees every year
- Over ten townships and three counties represented
- Geographic range from Quinte to Brockville, from Kingston to Ottawa and Lanark
- Over 40 local lake and river groups; five conservation authorities; three stewardship councils/foundations
- Government agencies including Ministry of Natural Resources and Forestry, Ministry of the Environment and Climate Change, Department of Fisheries and Oceans and Parks Canada

Benefits of Attending

- Join a focused discussion on lake health in our region
- Have questions answered at expert panel sessions
- Meet and network with specialists, partners and constituents
- Take home tangible solutions and a framework to continue lake protection and stewardship

Lake Links Planning Committee: Who We Are
