

QUINTE WATERSHED, NATURALIZE YOUR SHORELINE WITH THE NATURAL EDGE!

Natural Edge starter kits include a free site visit, custom restoration plan, a variety of native vegetation delivered and planted along your shoreline, and education booklets. Funding from the Ontario Trillium Foundation and the Daniel and Susan Gottlieb Foundation means landowners only contribute 25% of the total project costs!

Planting will take place in either fall 2020 or spring 2021 depending on availability.
