

## **Media Release – June 14th ‘Healthy Shoreline Webinar Workshop’ to showcase municipal planning tools to protect freshwater**

*May 12, 2022* – Join us at for a healthy shorelines workshop, **Healthy Shorelines, Healthy Lakes: Municipal Planning Tools to Protect Freshwater** on **Tuesday, June 14th, 2022 from 9:00 a.m. to 12:00 p.m. as a free online webinar**. If you are a municipal councillor, planner, or waterfront association member, come learn what tools are available and what other municipalities have done to keep their shorelines healthy to protect lakes and water quality.

At this virtual workshop, the presentations will be:

- **Learn about the ‘Ribbon of Life’ around lakes and rivers;**
- **Municipal Planning tools for healthy shorelines and better vegetative buffers;**
- **Municipal Policy Tools (What municipalities are doing now); and**
- **Public Stewardship Tools (What help there is to get vegetative buffers planted).**

FREE registration for this event is at [watersheds.ca/workshop-registration](https://watersheds.ca/workshop-registration)

This workshop is brought to you by Cataraqui Conservation, Federation of Ontario Cottagers’ Associations (FOCA), Ontario Ministry of Environment, Conservation and Parks (MECP), Parks Canada, Rideau Valley Conservation Authority, and Watersheds Canada.
